

37" Metal Safety Handles (Pair) (08-0002-flushmount)

1. Place the Metal Safety Handle on a flat surface such as a 4 x 4 or 2 x 4 vertical wood component. The wood may be slightly inclined from vertical.

!WARNING! METAL SAFETY HANDLES ARE NOT FOR OVERHEAD USE AND ARE NOT TO SUPPORT THE FULL OR PARTIAL HANGING WEIGHT OF A PERSON OR OBJECT. DO NOT ATTACH CHAINS, PET LEASHES, ROPES OR ANY OTHER OBJECTS TO THE METAL SAFETY HANDLES.

2. Fasten the Metal Safety Handle to the wood component with two #14 x 1-1/4" Pan Head Wood Screws and two 1/4" Flat Washers. (HARDWARE NOT INCLUDED)
